From the editor's desk -

“Hope is the thing with feathers that perches in the soul and sings the tune without the words and never stops at all.”
– Emily Dickinson

Life must be filled with endless hope. Keep the faith and be hopeful for the future. Our best life is ahead of us. Hope is the essence of life, it keeps us going. When all around is dark and gloom hope whispers silently in our ears and motivates us to give just one more chance. Life is one big war zone but keep your eyes full of dreams. Hope not only gives strength to overcome a pain, but it also makes the journey for the future easier. So do not worry about the fact that today is bad. Hope keeps telling us that tomorrow will be better than this. Hope is optimism.

It was this hope that a great tomorrow is waiting for us, which helped us sail through this pandemic. New year has brought hope in the form of vaccine and infused us with optimism and positivity. Let us keep our cup brimming with dreams, hopes, plans and positivity.

Wishing everyone A Very Happy New Year !!!

REPUBLIC DAY CELEBRATION

On the auspicious morning of 26 January 2021, Sir Padampat Singhania School celebrated the 72nd Republic Day on the school premises. All the staff members had put in heart and soul to celebrate the day with zeal.

The celebration commenced with flag hoisting by respected Principal Sir followed by the national anthem. Teachers presented the song 'Mere Desh ki Dharti' and speeches. The principal Mr. Praveen Kumar addressed the students and teachers with words of wisdom that one can contribute to the progress of the nation by working with honesty and regularity at one's place.

The celebration was aired live on Facebook and all the parents and students joined.

To instill patriotic fervor

among the students, various competitions such as Art Competition, Solo Singing Competition, Solo Dance Competition were organized for classes nursery to 12th. The theme of all the competitions was patriotic.

Enthusiastic online participation was recorded and numerous pictures of paintings, drawings and slogans were received by respective teachers. Mesmerizing videos were sent by students of classes 6th to 12th manifesting their patriotic fervor in the form of solo songs, mimes, skits and films. All the entries were received by 15 January. Best three entries were selected from each class for final judgment.

Thus, the ceremony culminated with utmost completeness in everybody's heart.

MAKAR SANKRANTI - festival of kites

The festival of Sankranti is celebrated every year with lots of joy and enthusiasm. It's really interesting to watch kids make miniature kites and decorate them. The students made creative

colourful kites and decorated them with glitter..beads frills etc. Teachers told students that this day also marks a change in season as the Sun changes its direction. The days

start getting longer and warmer. Students made beautiful kites which were liked by everyone. All of them looked pretty and adorable while posing for the pictures.

Stay Focused

In every success story, the longest chapter is the one about determination. While success demands many things from us, will power and determination always come up at the top.

Dear Students, it's time to work hard and to focus and most important it's time to come out of your comfort zone.

Here are few important tips which you can do very easily at your age.

- Think and set your daily target a night before, it will help you to organize your next day very well and provide you sufficient time to study and to work on other plans.
- Research has shown that our minds are sharpest in the morning, so develop a habit to wake up early in the morning and work on the difficult topics
- Only you have the power to eliminate the distractions and time-wasters from your life so just do it now.
- Constantly remind yourself of your ultimate goals by keeping them in front of you in the visual form, it will help you to keep moving and to achieve them.
- Finally, work on the success formula with your hard work and focused mind, nobody can stop you to achieve your target.

So all the best my dear students.

Stay focused and work hard to achieve all your goals.

It's time to prove yourself and we know that you will do it.

God bless you all.

HAPPY LOHRI

LOHRI

Lohri, the harvest festival was discussed with the students on 13th Of January. Students enjoyed learning about the festival through discussion and slide share. The fun stories and

experiences were shared. Students were told how it is celebrated with enthusiasm in school every year. The old students could recall the celebrations we had last year and the popcorn,

peanuts and revri that everybody got as prasad. Everybody prayed and hoped that school reopens soon for everybody and brings back the old times.
