

Singhanians' Chronicle

From the editor's desk

This is the last month of session 2022-23. The end of any school year is a transition to a new year and a curtain raiser for a new beginning. Dear Singhanians, the end of the session gives you hope to have a new phase of life. So, wake up everyday with hope and gratitude and achieve everything you want in life. There is always some excitement among students caused by completing a school year. I know you have big aims and dreams. Now it's time to make things happen. Organize the things and divide them into executable steps and aim to execute them each and every day and keep motivating yourself and achieve greater heights of success and happiness in the coming year.

86th Birth Anniversary of Our Founder Chairman Shri Govind Hari Singhania Ji.

Commemorating the Supreme Soul of our Founder Chairman Shri Govind Hari Singhania Ji on his 86th Birth Anniversary, a prayer service was conducted in the SPSS premises.

The members of the fraternity paid floral tribute amidst mantras and rhapsodic bhajans infusing peace and solace.

Principal, Mr. Pravin Kumar, Vice Principal Ms. Anjali Chaudhary along with the members of the fraternity pledged to stay committed to the vision and mission envisaged by Late Shri Govind Hari Singhania Ji.

A tree plantation activity was also organised by the Members of the Eco Club and students of the Principal's Club distributed food hampers to the destitute to immortalize the legacy and philosophy of the pious soul.

Convocation Ceremony

SPSS organised a grand Convocation Ceremony for the passing out batch of Sr.KG. It was a momentous day and the students were all set for the big day.

The evening of 24th March was dressed with a cool breeze and clear sky. The students reported to the school and dressed in Convocation Gown and Hat.

The program started with students presenting a bouquet to Respected Principal Sir and Vice Principal Ma'am as a token of love and gratitude.

The tiny toddlers took the responsibility of compering for a major part of the program. They welcomed the parents/guests for the evening and conducted the assembly including prayer, thought for the day, etc.

The students shared their aspirations and dreams about the future. There were cultural performances also from each class in which each student participated. The Management also felicitated the teachers who have been part of this esteemed institution for more than a decade. But one performance that was a show stopper was emotional Father Daughter dance. It was a jaw-dropping performance and left everyone awestruck.

Students were also awarded Convocation Certificate. Students were also felicitated for their special traits like captivating calligraphy, awesome artist, dazzling dancer, etc.

Parents shared their views about teachers and had a very high opinion about the faculty.

The program concluded with an obituary to Master Manikaran a student of class X, who lost his life in a very tragic accident.

Solo Singing Competition

It is with immense pleasure that we announce that student of SPSS Ms. Sameeha Bharti of class 7th got 1st prize in District and State level Solo Singing Competition and was also selected for the National level competition, where she received 3rd prize. The competition was organised online from classes 6th to 8th category. The competition was organised by Anuvrat Sansthan.

The commendable achievement is the emblem of academic excellence of the institution which has been achieved with the conscientious efforts of our erudite scholars and meticulous mentorship and expertise rendered by the teachers.

Dear Readers,

It gives me pleasure to welcome you all to the next edition of the newsletter. Today, as we look at our youngest lot, we feel a great sense of achievement. Their confidence level comfort in the school environment, verbal skills, general awareness, etc is commendable. This is true education, moulding young minds for a perfect life in the future.

We at SPSS encourage and support the growth of all our students and are proud of each one of them.

The Kindergarten curriculum is child centric and we follow activity-based learning. It is an innovative implementation of themes with fun-filled learning activities. We at Kindergarten believe that the listening, reading, writing skills of a child would reach to highest potential in a friendly, child-centric environment.

Our teaching methodologies are unique and tools most effective. Academics have always been our fundamental concern. The students at SPSS are involved in various activities aimed at grooming them on self-confidence and skills set emphasis laid on shaping the students into future ready individuals.

All the best dear students.

"May every sunrise bring new hope for your bright future".

Thank you
Stay blessed
