Everyday may not be good but there is always something good in each day. Positive thoughts can provide power to our mind and make us confident. The month of March signalled the end of the academic session. So let's celebrate our wins big or small. Let's fill our hearts with gratitude for the progress we've made and the hesitation we've overcome. Convocation Ceremony

Graduation is a momentous occasion that marks the end of a chapter and the beginning of a new one in the lives of students.

On the wonderful evening of 22nd March our Sr. KG students were all set for their big day.

The program commenced with a bouquet presentation to the Respected Principal Sir and Vice-Principal ma'am followed by the lighting of the lamp ceremony.

The compering of a major part of the program was done by the scholars of Sr. KG. They welcomed the parents/guests for the evening and conducted the assembly including prayer, thought for the day, etc.

Students shared their aspirations and dreams about the future.

Vivacious dancers of all the sections of Sr. KG set the floor on fire with their energetic performances and this was the reflection of their hard work and passion.

The main attraction of the evening was the father-daughter dance that made each one of us emotional. It was indeed a mesmerizing and graceful performance.

Students were also awarded convocation certificates. They were also felicitated for special attributes like amazing artists, dazzling dancers, sensational sportspersons, captivating calligraphy, outstanding orators, etc.

Parents also expressed their views about the school and teachers; they paid their gratitude and appreciated the management for nurturing their child with love and care.

To make the parents updated a ppt on academics, sports, music, and various national and international achievements was also displayed.

Our Respected Principal Sir, Mr. Pravin Kumar blessed the students with encouraging words.

Sir, also acknowledged the efforts of the students, teachers and parents.

The program concluded with an oath-taking ceremony and Group photograph.

Dear Students,

This year has been fantastic! It is hard to believe that it is coming to an end. Congratulations to all of you for all your accomplishments!!

You all have been wonderful and amazed your teachers in **SO MANY** ways. **All of you made progress in some way. And that is what matters the most.**

Before you start the new academic session, write yourself a note to read on the first day of school. Remind yourself how you feel **RIGHT NOW**. Remind yourself what you did well this year and what you want to improve. Remind yourself of a few rules that you want to set for next year – and **WHY**. Remind yourself that your teachers believe in you. Read your note on the first day of your school, and then post it where you can see it every day. Most importantly, believe in yourself. You must move forward in order to accomplish the great things that your life has in store. Stop holding yourself hostage. Stop letting your fears hold you back.

LET YOURSELF do great things. Give yourself permission to **DO better.** Give yourself permission to **BE better.** Give yourself permission to **BE SUCCESSFUL.**

DREAMS COME TRUE, BELIEVE IT AND WORK TOWARD IT.

All the Best!!
