### From the editor's desk

We should always encourage our youngsters to begin learning a new learning skill that they have always wanted to acquire.

Singhania School is the best place for little innovators. We always encourage our students and provide opportunities to showcase their creativity. Summer camp is an ideal platform for children to develop confidence, independence, social skills, leadership skills, physical fitness, develop news skills and also helps them develop their imagination and creative thinking. Our children have also developed new skills made new friends and created memories they will cherish forever.

'Alone we can do little together we can do so much.'

# Singhania Football League'23

## Singhania Football League-'23

A marvelous display of strength, stamina, strategy and spirit were witnessed at SPSS ground as our skilled players played in the Finals of SFL '23 amidst the resonating cheers of the thrilled spectators.

Pawan Panthers lifted the Winner's Trophy in the Senior Division while Gagan Gladiators lifted the Winner's Trophy in the Junior Division.

Congratulations to the Winners

## Splash Pool Activity

Happiness is pretending to be a mermaid in the swimming pool

To beat the heat Splash Pool Activity was conducted in the Kindergarten of SPSS. Little angels attired in colorful swimming costumes and goggles, enjoyed their first pool activity. Bubbling with excitement and enthusiasm, the children had great fun while jumping in the water, splashing water at their friends, and playing with floating toys. Some of them even tried to swim in their sweet way. After enjoying the pool, they took a sun bath-sitting and relaxing in the garden. It was a fun frolic activity and the little ones enjoyed it to the fullest.

## Mother's Day Celebration

The touch of a mother is a great healer, her smile brightens days, and her life is intangible yet embedded in every soul.

We cannot just dedicate a single to a mother but in the vicissitudes of life we forget to thank her for her selflessness, devotion and care, which is why we celebrate Mother's Day on the second Sunday of May.

This year Mother's Day was celebrated

with much jubilation. Several activities were conducted in the school. Card Making, Singing and Dancing Activities were the major attractions.

Entries were invited from the students expressing their love and gratitude towards their mothers who received an overwhelming response.

The gratifying compositions were weaved into adorable videos dedicated to SPSS Mothers to be cherished forever.

## Importance of Time Management for Students

Time management for students is about making your day purposeful. It is about taking control of the time you have and optimizing it for focus, productivity, and above all, balance.

Effective time management is all about achieving the right balance between your school life, homework and your free time. As a student, organizing your days will eliminate stress and ensure that you are productive. The general time management tips for students, such as sleeping well, scheduling, and prioritizing, are some important tips that can help students in the long run.

Managing time effectively enables students to become more confident, and organized, and learn more efficiently. Time management techniques can help students be on track and cope with the stress of added responsibilities.

Good time management helps us maintain control in life. Having control of your life gives you power and freedom, and time management helps a person to maintain this control.

"If you want to make good use of your time, you've got to know what's most important and then give it all you've got."

Ms. Joyce Das -

Coordinator (Class 6and 7)
