From the Editor's Desk

Any time you sincerely want to make a change, the first thing you must do is to raise your standards. – Anthony Robbins
The Month of November went by in a jiffy. Learn N Fun and later Annual Function practices kept us on our toes. At Singhania, we challenge ourselves by setting high standards and we enjoy beating them. It is the psychology of standards that separates the people at Singhania from the ordinary. We have put in our sincere efforts to make our Annual Day – GOVINDAM the best ever it can be and by the time this issue of the Chronicle reaches you, you would have already witnessed it. I hope you enjoyed watching it as much as we enjoyed preparing it. Thank you almighty and thank you our well-wishers for your continuous support.
