

# Singhania's CHRONICLE

NOVEMBER 24

## From the Editor's Desk -

It's lack of faith that makes people afraid of meeting challenges, and I believed in myself.  
- Mohammad Ali

Every day is an opportunity to grow and achieve something new. Remember, success is not about perfection but consistent effort. Stay curious, embrace challenges, and celebrate even small victories—they are the stepping stones to greater accomplishments.

Focus on your goals, but don't be afraid to make mistakes. Mistakes are powerful teachers that help you learn and improve. Keep a positive attitude, and don't compare your journey to others; everyone's path is unique.

Be like Mohammad Ali. You all have the potential to achieve great things, and every step you take today brings you closer to your dreams. Keep moving forward with determination and faith in your abilities.

## A HUMBLE TRIBUTE TO SIR SAHEB

The SPSS family paid a soulful tribute to our Founder, Sir Padampat Singhania Ji, on his death anniversary, commemorating his contribution to shaping a progressive nation. The SPSS fraternity paid floral tribute to the legend with soulful renditions of bhajans and spiritual chantings.

Students presented reflections on the life and achievements of the magnanimous persona. Several social activities were lined up magnifying the essence of his visionary pursuits. The members of the Principal's Club conducted the campaign - The Joy of Spreading Warmth to eternize the glory of our Sir Saheb.

Warm clothes and blankets were distributed to the destitute. The Members of the Eco Club also organized the Tree Plantation Campaign. The students and teachers pledged to emulate Sir Saheb's ethical practices and fulfill his dreams of a harmonious society.

## ACADEMIC EXCELLENCE AWARDS 2023-24

Dedicated endeavors needs appreciation for maintaining the spirit of excelling. SPSS provides a healthy competitive environment to every student to bring forth his aspirational desires with discipline and dedication. We congratulated the proud recipients of the Academic Excellence Award for the session- 2023-24,

who have proved their mettle in conquering the prestigious award of appreciation. Principal, Mr. Pravin Kumar along with the Vice Principal, Ms. Anjali Chaudhary, and the Coordinators honoured the recipients and motivated the students with words of wisdom.

## Principal's Club—Badge Ceremony

The Badge Giving Ceremony of the Principals' Club was held on 21st November 2024 with great enthusiasm and excitement. This event aimed to honor the newly appointed members of the Principals' Club and recognize their commitment to leadership and service within the school community.

## SCIENCE MODEL COMPETITION

All outstanding work, in art as well as in science, results from immense zeal applied to a great idea...

The Annual Science Model Competition was held for classes III to XII on 16 Nov, 2024 with lot of enthusiasm and dedication. The objective of this competition was to inculcate a scientific attitude and research mindedness so that students develop the qualities of analytical and critical thinking. The students have presented various innovative still models as well as working models like magnetic levitation train, quick evac, frontline manless defense system, smart house with solar panel system, wind mill, hydraulic bridge, earthquake detector, volcano, power generator, lung model, human heart, water dispense, miniature pinhole camera, Mars rover model etc. Creativity, scientific thought, clarity and presentation were some of the parameters to judge the models. The students competed with great zeal and enthusiasm to excel and achieve success. Lot of students came up with innovative and Out-Of-The-Box ideas that can be worked upon in future. It was a great learning experience for the students and enhanced their Scientific temperament.

## DINING ETIQUETTE

The pre-primary section of Sir Padampat Singhania School recently conducted an engaging session on Table Etiquette and Manners. Teachers creatively assumed the role of students, making the event both educational and enjoyable for the children.

The Dining Etiquette Activity aimed to teach proper table manners for formal and informal settings.

Students were guided on essential eating habits, such as proper use of utensils, seating arrangements, conversational decorum, and minimizing food waste.

A mock dining setup simulated a real dining environment, allowing students to practice and apply what they learned in a fun and interactive manner. This activity boosted their confidence and awareness of dining

etiquette, making them more mindful of their behavior at the table.

Conducted under the guidance of the Coordinator, Ms. Harveen Bedi, the event was a resounding success. It not only promoted healthy habits and good manners but also provided an enjoyable and memorable experience for the students.

*"Don't let what you cannot do interfere with what you can do."*

## Children's Day (FUN FIESTA)

**"Childhood is a collection of life's most precious moments."**

**FUN FIESTA: The Rhapsody of Joy**  
Drenched in the jubilant spirit of childhood, a rocking event was organized for the cheerful children of SPSS on 14th November, Children's day.

The school campus echoed with the delightful cheers of various sports and games activities, food stalls and the rhythmic beats of the Band Jam.

The eventful fete resonated the magical moments.

The grandeur of the mega event would be treasured as a collection of magical memories tucked in the havens of heart.

## SPEAKATHON ACTIVITY

The 'Speakathon' activity for classes VII and VIII was conducted to enhance students' speaking skills and confidence. Students were given various topics to speak for a minute on their chosen topic.

The activity was seamlessly organized by the English teachers, with enthusiastic participation from students.

Topics ranged from thought-provoking to creative, reflecting their diverse interests.

Photographs and videos captured the vibrant moments of the activity, which concluded with teachers providing constructive feedback.

The Speakathon was a successful initiative, boosting students' confidence in public speaking.

### A Teacher's Journey of Inspiring Young Minds

Teaching is not merely a job; it is a meaningful journey of transformation, growth, and inspiration. Every day, teachers step into classrooms with the incredible responsibility of shaping young minds and nurturing the leaders of tomorrow. It is a role that demands patience, creativity, and an unwavering belief in the potential of each child.

As educators, we do more than teach concepts; we ignite curiosity, encourage critical thinking, and instill lifelong values like empathy, endurance, and determination. The joy of teaching lies in witnessing those "aha" moments when students grasp a concept or the pride in their eyes when they achieve something they once thought was impossible.

In today's fast-evolving world, a teacher's role extends beyond academics. We prepare students to face challenges, adapt to change, and make meaningful contributions to society. Every lesson taught and every word of encouragement given becomes a building block for a brighter, more promising future.
